X1 NOTE FOR: CDR [REDACTED]
X1 FROM : [REDACTED]
Office of Legislative Counsel
SUBJECT : Agency Congressional Intern Travel with Senator Glenn

X1 1. [REDACTED] an OSR analyst currently on Senator John Glenn's (D., Ohio) staff as our Congressional intern, has been asked by the Senator to accompany him on a trip to the Far East early in January.

2. The Senator's office advised OLC and asked for any feedback from us. OSR and NFAC have been uniformly affirmative in their reaction. OLC concurs and recommends that the Director pose no objection. If he does not, OLC will so inform Senator Glenn's office.

3. Senator Glenn is traveling in a group headed by Senator Sam Nunn (D., Ga.), Senate Armed Services Committee. The Director has, at Senator Nunn's request, agreed to meet with him in Bangkok on 5 January to brief him on the North Korea/South Korea order of battle. For this reason, Senator Glenn wanted to be sure the Director was aware that [REDACTED] would be part of the delegation. 25X

X1 4. [REDACTED] expenses will apparently be shared by DOD and State. The delegation is flying by military aircraft.
